WATERSPAR

QUICK  DRYING

ENAMEL and VARNISH

As its name indicates, this enamel adds speed of drying to the other qualities established by the Waterspar label. No sacrifice in brushing qualities, hiding power, adhesion or durability is made to secure quick drying.

Waterspar Quick-Drying Enamel dries for use in four hours to a very pleasing high satin gloss.

It meets the following rigid requirements:

1. Proper and Uniform Consistency in the package.
2. Good brushing qualities and flow to smooth coat.
3. Satisfactory hiding in one coat.
4. Positive drying for use in four hours.
5. Proper durability for recommended uses.

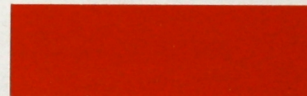

Transparent Varnish Shades

For varnishing floors, furniture and woodwork use Waterspar Quick-Drying Varnish. It is available in "Clear," Light Oak, Dark Oak, Dark Mahogany and Walnut. See the back of this folder.

The splendid qualities of Waterspar Enamel are combined with quick drying in Waterspar Quick-Drying Enamel. This is, beyond question, the easiest of all finishes to apply.

Good wearing qualities are not sacrificed for faster drying. In fact, Waterspar Quick-Drying Enamel wears so well that it is used on inside floors and on outside surfaces such as porch and lawn furniture and on motor cars.

It produces a beautiful finish that lasts!

Waterspar Quick-Drying Varnish is of the famous family of Waterspar Varnishes—waterproof, heel-proof and long-wearing. To these splendid qualities is now added quick-drying. Surely a convenience when you realize that a floor finished with Waterspar Quick-Drying Varnish may be walked upon in six hours!

In addition to "Clear," Waterspar Quick-Drying Varnish may be had in four *transparent* colors—Light Oak, Dark Oak, Dark Mahogany and Walnut. Also "Ground Color."
